

What's included on *The Painter's Guide to Photoshop CD?*

Introduction - This document includes information about why you should learn Photoshop and where you can get it.

The Painter's Guide to Photoshop - This eBook is designed for artists who want a quick and easy way to learn to use Photoshop. Open Photoshop and follow along with the instructions in the book. Two formats of the book are provided:

The Painter's Guide to Photoshop SCREEN.pdf

- Screen Version - Use this version of the eBook on your computer.

The Painter's Guide to Photoshop PRINTABLE.pdf

- Printable Version - Use this version to print the eBook on your home printer.

Sample Images - Use these images to complete the exercises in the book. Each image is numbered according to the chapter in which it is referenced.

Meet the Photographers - Several photographers have contributed royalty-free photos for this CD. Read about their work and use their images. Feel free to contact them for more information.

More Royalty Free Photos - This folder contains over 350 royalty-free photos you can use for experimenting with Photoshop and for painting guides.
